

# Exploring New Frontiers In Energy-Efficient Lighting

U.S. EPA congratulates Advance Transformer  
on winning the ENERGY STAR Buildings<sup>sm</sup>  
Ally of the Year Award, 2000!  
Leading America to a Brighter Future

Energy investments within ENERGY STAR<sup>®</sup> programs have added \$2.5 billion of net worth to U.S. businesses. For every dollar of net worth added to those organizations in 1999, 6.9 pounds of greenhouse gases were also prevented.

For more information about how your organization can improve its energy, financial, and environmental performance with ENERGY STAR, call the ENERGY STAR hotline 1 (888) STAR YES.
